*A 2,500 sq.ft. modular 4.8 highliner.*

# If you want it yesterday, send us the coupon today.

At LBBL we've built our reputation on speed and economy. (It takes us just five weeks to erect a 10,000 sq. ft. factory at only £4.85 per sq. ft.)

Our experience runs to anything from a clubhouse to a workshop, a classroom to a hospital ward.

The LBBL modular building systems means we can tackle any building you need of virtually any width, length or design.

Whatever your specifications we won't take long. Which is reassuring when everyone's relying on you to meet yesterday's deadline.

So send off the coupon today and our catalogue will be in the post tomorrow.
